

Elm Terrace Gardens Reopening Step 2 Updates

Elm Terrace Gardens is restricting communal activities. Activities can proceed limited to 10 residents and maintaining social distancing and designated staff to one area.

Elm Terrace Gardens allows visitation under special considerations and compassionate care. Visitors will wear a face covering during the entire visit. Use alcohol-based hand rub before and after visit. Stay in designated facility locations. Sing in and out and adhering to screening protocols. Visitors will not be allowed in facility if they report any symptoms or exposure or if they have a temperature over 100.0 F.

Step 2 Visit Procedures

1. Managed by activities at the two booths outside of skilled nursing entrance
2. All visitors must complete screening tool and have temperatures taken prior to visitation. If any visitor reports symptoms or exposure or has an elevated temperature above 100.0 F the visit will not proceed.
3. Visits will be held on specific days at designated times
4. Days designated per unit
5. Visitors limited to two per visit
6. Families notified of ability to schedule visit via email: It is the family's responsibility to call and schedule a visit
 - a. There will be designated days and times to call to schedule a visit at a dedicated phone number
7. Visits will be assigned half hour time slots, visit to last 20 minutes, with 10 minutes allowed to sanitize booth
8. Families can only schedule one visit at a time. They must complete the visit prior to calling to schedule the next visit.
9. Schedule will be created and maintained by activities
10. Families will be notified by email of visitation procedures and how to schedule a visit
11. Inclement weather:

- a. Skilled visitation will be held in first floor Florida room with families entering at the exterior door of the Florida room and limited to access to the Florida room. Booths will be utilized.
- b. Personal care and memory care visitation will be held in café, visitors to enter at café door and access to café restricted to visitation only. Families restricted to café area during visitation only. Booths will be utilized.

Elm Terrace Gardens will comply with any directive to halt reopening if the county reverts to a red zone. Elm Terrace Gardens would revert to back to the original Covid-19 closure plan. A mass email would be sent to all resident's families, notices would be posted on the doors and all residents would be notified via postings and ETG TV announcements, a posting would also be placed on the ETG website.

Elm Terrace Gardens has a plan in place to cohort and isolate residents as needed based on the Red, Yellow, Green criteria as issued by the PA DOH.
